

- 1) Login to the Indico website of Nuclear Photonics 2025
- 2) On the left bar, go to **My Contributions**

- 3) Select the contribution where you are the **Speaker**.

- 4) Scroll to the bottom of the page to **Presentation materials**. Click on the “Edit materials” button and upload your slides. You can upload several files, e.g., a pdf and a pptx version.

 Presentation materials

There are no materials yet.

- 5) If the upload was successful, the files will be visible:
